## Christmas Concert After effects

Wow we still have goosebumps when we think of the amazing performance of the children and staff members at our concert last year. A huge thank you to all our sponsors who decorated the tables and those who were able to attend. Without your presence, the night would not have been so successful and amazing.

***Serving the Community is our main priority!***

With our soup drive at the local clinic, Golden Valley and Kretzenshoop school, we were able to feed around 300 people in 2024. What a wonderful feeling it was to see people happy when we served them with a warm cup of soup. A heartfelt thank you to Softlandings for the ingredients of the soup..Nicci you and your team are truly amazing

# Garden Project

We take pride in this project because we harvested carrots, cabbage, spinach, beans, etc, that we use in the food that we cook daily for the kids. Thank you to Aunt Eva is always so willing to take care of the garden even during the holiday season. We appreciate you and all your hard work.

## Interns/Teenagers:

With the funding from the Carraresi Foundation, we are able to help the youth in this community through Internships and a very educational teenage program. Currently we have 5 Interns who are busy enrolling for their Level 5 ECD Diploma through Edubuild Educational Institution. We also have 15 teenagers this year who are here every Tuesday and Thursday. They have a facilitator who assist them with their homework, assignments and also have various life skills programs that teach them to make positive decisions and choices.

Here is some of the teenagers with their stationery packs that was sponsored by Laura Alexandrou.

Last year we struggled a lot with our printer and needed one urgently. I made contact with Rotary George and they bought a brand new Brother printer for Zenzele. We are so thankful for companies like you who do not hesitate to help in time of need. THANK YOU ROTARY!!

Lastly, we could not have done all of the above without our amazing sponsors. Thank you so much for believing in us and for your support, we look forward to a fruitful relationship with you and be sure to visit our new website at [www.zenzeleaftercare.co.za](http://www.zenzeleaftercare.co.za) to keep informed.
